L6e version requires
no licence

Compact design and space, *perfect for the city*

**Park where others can't even dream of parking,
and go with the flow**

Glide swiftly through the city and park anywhere, taking up less than half the usual space.

Small in size,
big in possibilities

Everything fits, the things you need and the things you don't

It's not magic, but it feels like it:
everything fits.

247 l of space for all your plans.

Equipment

- 1** Premium synthetic leather multifunction steering wheel.

- 2** Mobile phone holder with adapters for Android/iOS.

- 3** Synthetic leather ergonomic seats. Folding front passenger seat.*

- 4** Audio system with built-in speakers and Bluetooth.

- 5** Multifunction on-board computer with 7" LED display.

- 6** Keyless ignition.

- 7** Electric windows and mirrors and air conditioning.

- 8** Front LED lights and rear fog light.

*Depending on model.

Technology and connectivity

Intelligence and instant information
in the palm of your hand

My Silence app

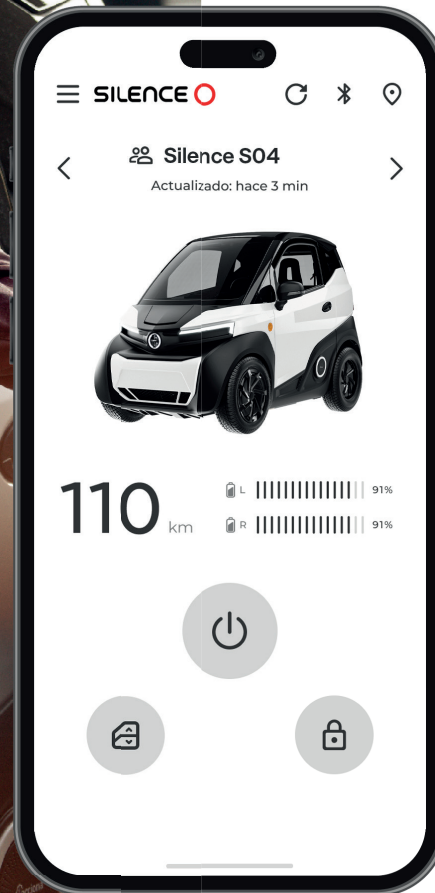

Remote functions (via the app):

- Switch your vehicle on and off.
- Locate your vehicle at all times.
- Share your access with the "Friend Sharing" option.
- Check the range to calculate your next route.
- Check your trip history.
- Activate your vehicle's anti-theft alarm (optional).
- Receive notifications about the vehicle and battery, wherever you are.

Connect your smartphone via Bluetooth

Enjoy your favourite music via the built-in speakers.

Transform your driving experience into a unique, seamless and connected experience.

Removable batteries

Easy and flexible charging

Power: **5.6 kWh.**

Patented **Fast & Easy** trolley-style removal system.

3 different charging methods.

Standard battery for the entire range of **SILENCE** vehicles.

Three charging methods

01

ACCIONA Battery Station

Replace the battery in just **30 seconds**.

02

Removable, plug-in battery

Remove the trolley-style battery from the vehicle and plug it in anywhere you want. 7 h - 9 h (0-100%).

03

Plug-in vehicle

Charge your vehicle at a domestic power point. 7 h - 9 h (0-100%).

Purchase options

You can purchase your vehicle in two ways.

01

Own the battery

For your **exclusive use**.

Two charging modes:

- Plug the vehicle directly into any domestic power point.
- Remove the battery and charge it at any domestic power point.

02

Battery under subscription

Reduce the cost of your vehicle with this option.

Pay for battery usage with a flat monthly rate.

Three charging modes:

- Plug the vehicle directly into any domestic power point.
- Remove the battery and charge it at any domestic power point.
- Access our **large network of Battery Stations*** to swap your battery for a fully charged one.

No need to worry about maintenance and the risk of battery obsolescence.

**Check out our ever-growing network of Battery Stations.*

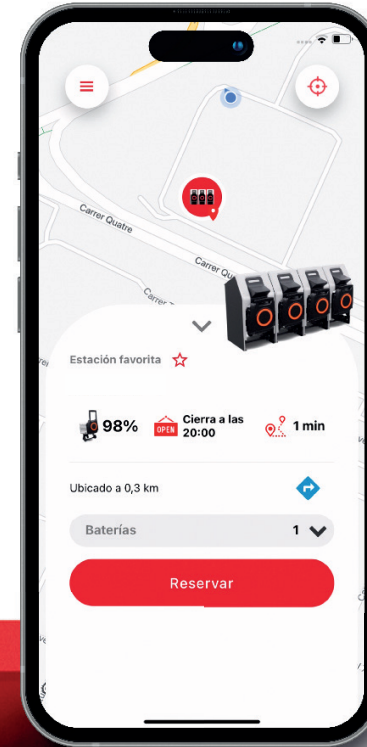

End-to-end electrical solution

Charge in just 30 seconds, wherever and whenever you need to.

Battery Station

The first battery-swapping station for individuals in Europe

- 1 Open the Battery Station app
- 2 Find the closest Battery Station
- 3 Reserve a charged battery
- 4 Replace it in only 30 seconds
